<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>09:00-09:30</td>
<td>30</td>
<td>Registration and refreshments</td>
</tr>
<tr>
<td>09.50-10.05</td>
<td>15</td>
<td><strong>What is the air quality challenge in Europe?</strong>&lt;br&gt;Evidence, causes, impacts and trends in air pollution in European cities&lt;br&gt;<strong>Vincent-Henri Peuch</strong>, <em>Head of Atmospheric Composition Division at ECMWF, MACC-II Project Co-ordinator</em>, European Centre for Medium-Range Weather Forecasts (ECMWF, the Centre)</td>
</tr>
<tr>
<td>10.05-10.20</td>
<td>15</td>
<td><strong>Current frameworks for action</strong>&lt;br&gt;Introduction to the European Innovation Partnership 'Smart Cities and Communities' to highlight the importance of combining clean technology/infrastructure and policy/behaviours on mobility to achieve change.&lt;br&gt;<strong>Henriette Van-Eijl</strong>, <em>Policy officer</em>, European Commission, Directorate General for Mobility and Transport, Research and Innovative Transport Systems Unit</td>
</tr>
<tr>
<td>10.20-10.35</td>
<td>15</td>
<td><strong>Perspective of the cities: The mechanic of networks of cities</strong>&lt;br&gt;<strong>Mark Hidson</strong>, <em>Deputy Regional Director</em>, ICLEI- Local Governments for Sustainability/ <em>Director</em>, ICLEI's Global Sustainable Procurement Centre</td>
</tr>
<tr>
<td>10.35-10.55</td>
<td>20</td>
<td><strong>Speakers Q &amp; A and plenary discussion</strong></td>
</tr>
<tr>
<td>10.55-11.00</td>
<td>5</td>
<td><strong>Getting the most from the Forum experience</strong>&lt;br&gt;(Facilitator does a Pecha Kucha ‘process’)</td>
</tr>
<tr>
<td>11.00-11.30</td>
<td>30</td>
<td>Coffee break</td>
</tr>
</tbody>
</table>

**Session 2: Meeting the air quality challenge through urban strategic planning**<br>Improving air quality is one of a cluster of development issues in cities. This session looks at how it can best be addressed within the context of effective strategic planning.

<table>
<thead>
<tr>
<th>Time</th>
<th>Duration</th>

</tr>
</thead>
<tbody>
<tr>
<td>11.30-12.00</td>
<td>15</td>
<td>Getting to grips with the challenge. Case study from a city that has drawn up air quality strategic plan with delivery (urban mobility plan: from the strategy to the implementation).&lt;br&gt;<strong>Overview of emerging strategic planning</strong>&lt;br&gt;<strong>Simon Goddard</strong>, <em>Project Manager, Architect</em>, Gehl Architects&lt;br&gt;<strong>Example of cities that have done strategic planning: Nantes</strong>&lt;br&gt;<strong>Jean-François Retière</strong>, <em>Vice President of Nantes Métropole in charge of Commuting and Transportation</em>, Nantes Métropole</td>
</tr>
<tr>
<td>Time</td>
<td>Duration</td>
<td>Event</td>
</tr>
<tr>
<td>--------------</td>
<td>----------</td>
<td>----------------------------------------------------------------------</td>
</tr>
<tr>
<td>12.00 – 12.45</td>
<td>40</td>
<td>Table experience share <em>(some tables will work on mobility, others on energy, and others on ICT solutions)</em>. People share their own experiences of strategic planning. Highlight key learning insights to share. Plenary feedback from table experience share.</td>
</tr>
<tr>
<td>12.45 – 13.00</td>
<td>15</td>
<td>Case study spotlight</td>
</tr>
<tr>
<td>13.00 – 14.00</td>
<td>80</td>
<td>Lunch</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Post-it passport <em>(Delegates choose 3 from 20 available case studies)</em> <em>(which leaves time to table rapporteurs to discuss their conclusions)</em></td>
</tr>
</tbody>
</table>

**Session 3: Changing mindsets and behaviours**

Delegates choose 3 from 20 case studies featuring innovative programmes from European, national and city level with a special emphasis on encouraging citizens to change their behaviours that leads to cleaner air outcomes.

<table>
<thead>
<tr>
<th>Time</th>
<th>Duration</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>14.00-15.50</td>
<td>110</td>
<td>Roundtables with case studies on approaches to change mindsets, behaviours of politicians, business, organisations, individuals in introducing new infrastructure/activities from the main topics: energy, mobility and ICT. Each of the 20 case studies will be presented three times <em>(3 x 30 minutes).</em> Each time with a different audience. The groups will also propose recommendations.</td>
</tr>
</tbody>
</table>

1. **Ticket Kyoto**, Jean-Luc de Wilde d’Estmael, Responsable de la planification stratégique et des projets européens, STIB
2. **beAgueda - electrical bicycle of Agueda**, Gil Nadais, Mayor of Agueda, Câmara Municipal de Águeda
3. **Cluster Cooperation Green Technology**, Jan Rakušan, Chairman of the board, Centre for Research and Innovation (CVVI)
4. **Nokia Public Transport**, Justus Brown, Head of Platform and Content, Transit Location & Commerce, Nokia
5. **Clean Air project**, Heiko Balsmeyer, Project Coordinator LIFE+ Clean Air, Verkehrsclub Deutschland e.V. (VCD)
6. **Electric Vehicles in Czech Republic**, Jaromir Marusinec, Asociace elektromobilového průmyslu (ASEP)
7. **Nantes**, Jean-François Retière, Vice President of Nantes Métropole in charge of Commuting and Transportation, Nantes Métropole
8. **Sustainable Development and Strategic Management** on local, regional and national level – Database of Strategies (HCCZ), Jitka Bouskova, Project manager, Healthy Cities of the Czech Republic
9. **Air quality management and assessment in Central Bohemia including Prague in order to support to sustainable urban/regional development and EIA processes** *(FP7 project SUDPLAN)*, Vladislav Bízek, Senior Consultant, Environment Center, Charles University and Jan Mertl, Twinning project leader from the beneficiary side, Czech Environmental Information Agency (CENIA)
10. **Aberdeen**, Louise Napier, Senior Planner, Aberdeen City Council
11. **CARBOTRAF**, Martin Litzenberger, Senior Engineer, AIT Austrian Institute of Technology GmbH
13. **How to enhance mobility management innovation process in CEEC**, Martin Hajek, Center Director, RODOS Center for the Development of Transportation Systems
14. **New methods for quantifying of the emission sources in relation to transport**, Jiří Huzlík, Transport Research Centre (CDV)-Ministry of Transport of the Czech Republic
<table>
<thead>
<tr>
<th>Session 4: Informing clean air recommendations</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>We employ creative process innovation at the Forum both to highlight innovative ideas and harness our ‘collective brain’ to solve real issues facing Czech cities.</strong></td>
</tr>
</tbody>
</table>

15.00-16.00 30  **Coffee break**

16.00-17.00 30  **Clean Air Innovation (Pecha Kucha process)**  
Four experts (faced with issues mentioned above) each share their views in a dynamic format.  
20 slides x only 20 seconds, starting from.....!

17.00-18.00 60  **Grappling with real issues**  
Participants bring their experience and creativity to address issues in Czech cities.  
Jaroslav Klusák, Energy manager of the town, Department of Projects and Strategies, City of Litoměrice  
Jiří Kohout, Transport project manager, Plzen City  
Iva Machalová, Transport Specialist, Brno City Municipality

18.00  
Delegates move to reception with organised buses

18.30-20.00 90  **Cocktail reception** at the National Technical Museum (Kostelní 42, 170 78 Prague 7, Czech Republic)  
Speech of Karel Ksandr, Managing director of the National Technical Museum and Martin Frélich, First deputy of the Ministry of Environment of the Czech Republic.

---

**DAY 2**

08:30-09:00 30  Arrival and coffee

09:00-10:35 5  Short introduction to the cases studies  
3 case studies of innovation in financing  
1.  **ChargeMaster, United Kingdom**  
   Neil Sharpe, Sales Director, ChargeMaster  
2.  **Procurement programmes (public or private)**  
   Christelle Chabredier, Chargée des relations institutionnelles à la direction du développement durable, Groupe la Poste  
3.  **Citizen scheme**  
   Tallinn awarded free public transport passes to its citizens following a city referendum  
   Allan Alaküla, Head of Tallinn EU Office, City of Tallinn

10:35-11:05 30  Coffee break
### Session 6: Making connections for the right solutions for Smart Cities

This session highlights the way cities are developing innovative partnerships and networks and effectively engaging with citizens to create a better quality of urban living.

<table>
<thead>
<tr>
<th>Time</th>
<th>Duration</th>
<th>Event Description</th>
</tr>
</thead>
</table>
| 11:05-11:55 | 50    | Short introduction to the cases studies <br>3 presentations on experience/actions to make effective connections.  
1. CIVITAS <br>**Paolo Gandolfi**, Deputy Mayor, Municipality of Reggio Emilia  
2. Signatory of Covenant of Mayors, Litoměřice (CZ) <br>**Antonin Tym**, Geothermal project manager, City of Litoměřice  
3. Business connecting well with city <br>**Ger Baron**, Project Manager ICT, Amsterdam Innovation Motor |
| 11:55-12:45 | 50    | **Drawing the strands together**  
A final panel discussion (facilitated by the moderator, Peter Woodward and the rapporteur, Sonja van Renssen) to further explore how we overcome some of the entrenched barriers to achieving cleaner air in our cities. The panel will discuss the emerging messages and recommendations as well as the steps that need to be taken.  
Panellists:  
- **Mobility perspective**: **Gil Nadais**, Mayor of Agueda, Câmara Municipal de Agueda  
- **Energy perspective**: **Antonio Gomes Martins** suggested by Robert Stussi, Vice Rector (Coordinator of the Energy for Sustainability Initiative-EfS), University of Coimbra  
- **ICT perspective**: **Svetlana Grant**, Director Smart Cities, Connected Living programme, GMSA (to be confirmed)  
- **Citizen perspective**: **Paolo Pissarrello**, Vice-President, Genova Smart City association  
- **Timo Makela**, Director, European Commission, Directorate-General Environment, International affairs, LIFE & Eco-innovation Unit |
| 12:45-13:00 | 15   | Main Forum closing remarks:  
**Timo Makela**, Director, European Commission, Directorate-General Environment, International affairs, LIFE & Eco-innovation Unit  
**Rut Bízková**, Chairperson (Former minister of Environment), Technology Agency of the Czech Republic |
| 13:00-14:00 | 75   | Closing and Lunch |
| 14:00-16:00 | 120  | Participants can choose to go on the site visit to Škoda or do the Prague walking tour.  
**Prague walking tour incorporating points within the city’s famous old town** (participants will leave from the Hotel Ambassador–Zlatá Husa)  
The walking tour is limited to 50 participants.  
14.00 (sharp) Departure of the buses (the Škoda site visit to Prague is limited to 50 participants) |
| 14:00-18:00 | 240  | **Škoda site visit** (Škoda Auto a.s., Václava Klementa 869, 293 60 Mladá Boleslav, Czech Republic)  
Return (drop-off at the Hotel Ambassador–Zlatá Husa) |
